OUR CHAPTER & OUR CAUSE

**PennState
Alumni Association**
Central Florida Chapter

As part of the parent Penn State Alumni Association, the Central Florida Chapter's mission is:

To connect alumni of the University (“Alumni”) to the University and to each other, to provide valued service to members of the Association, and to support the University's mission of teaching, research and service.

We carry out this mission by assisting the University in promoting its programs under the direction of the Association, promoting the fellowship and welfare of Alumni, students, parents of students, and other friends of the University residing in the chapter area by providing information and services to them, and recruiting volunteer assistance for the various programs of the Association and the University.

In 1995, a small group of approximately 12 devoted and dedicated local alumni helped reorganize Central Florida Chapter in an effort to restore a Penn State presence here in central Florida including establishing a close network of fellowship, cooperation and friendship among members of the Penn State family (including alumni, parents of students, friends and fans) residing in the central Florida area. Our chapter passed the torch in 2017 by introducing a new generation of leaders who work to expand its reach as the number of Penn Staters continue to increase in our region. In doing so, we *Bring the Roar to Central Florida* by continuing to build our network, connecting Penn Staters with each other, supporting our family known as Nittany Nation and bringing glory to our great Alma Mater.

Our strength comes from our members and those, like you, who support our efforts. Through our philanthropic efforts and events, we support Penn Staters and those in our community. Our golf event serves not just as a means to network with each other, but to help alleviate the financial burden local Penn State students and their families face with rising tuition costs. To do so, the proceeds from this tournament will go toward the establishment and continued funding of a scholarship endowment for students from central Florida who are attending a Penn State campus.

We hope you will consider joining us for The Nittany Golf Classic, and we look forward to having you be a part of our extended family. **FOR THE GLORY!**
